KEVIN FLECKENSTEIN

Week of April 13-17, 2020

Mr. Fleckenstein

Students are expected to complete one Social Studies lesson a week for each class that they are taking. Students need to choose one of the three choices that are for the class that they are in. You may not choose an option from a class you are not currently taking. Choice 1 & 2 are review options that will not require a computer or the internet. Choice 3 is considered enrichment, which will sometimes be new information, and might require internet access. I can receive work in hard copy form (turned into the school) or I can receive assignments through my email at kevin.fleckenstein@oakland5.org If a student is turning in an assignment through email, they can turn it in as a word document or a google document. If students are answering a worksheet and turning it in online, the student does not need to copy the questions onto their document. They only need to send in their answers. Please make sure student names are on all work, so that I can figure out who has turned in assignments. Homework for each week will be available at noon each Monday. That week's homework will be due by noon the following Monday. I will be calling parents on Tuesday of each week, if I have not received an assignment from a student. We want to make sure that no student falls behind during this time. I will provide feedback on all homework assignments. If they are turned in to me through email, I will replay to the email with my feedback. If the homework assignment is physically turned into the school, I will write the feedback on the assignment and put it in the next weeks pile to be picked up. The only textbooks that should be needed are the ones that were already given out two weeks ago. If you have any questions for me, please feel free to contact me through email. My office hours will be Monday, Tuesday, and Wednesday from 11-1. I will also be checking my email periodically at other times throughout the week. I miss all of the students. I hope that everyone is being safe, smart, and finding ways to keep busy!
