Jeremy Hoenes

Hello Junior High students & parents! I hope you all are doing well, and making the best of our current situation. Let me start off by saying that I am here to help you as much as I can. If you have any questions about any of my assignments, materials, how to submit them, or anything else please feel free to contact me. You can email me at anytime @ jeremy.hoenes@oakland5.org or through teacherease. I will also have times through the week where I will specifically be watching for emails. Those times are as follows: Mondays & Tuesdays - 10 - Noon, and Wednesdays 2 - 4. For each subject there are 3 choices for you to choose from. You only need to do one choice for each subject that you have with me, and turn in or submit to me. There are different ways to do this based on the assignment. If it is a WS, questions out of the book, or something you created (timeline, outline etc) you can return those to the school, take a picture with your phone and email it to me, or you can put the answers on a google doc and share it with me. There might also be times you can do social studies (7th & 8th only) via Ed Your Friend in Learning. We have used this site several times throughout this year. You might have an option, and if you have the capability to do that on the site, and submit the assignment that way as well.
